Withdrawals

Withdrawals must be submitted 30 minutes before the start time of the session. All withdrawals must be submitted using the form available from the tech team.

Time Trials

Time trials may be requested on the day. Any such requests should be made on the relevant form and completed by the coach or team manager. All time trials requests must be submitted at least 30 minutes before the start time of the session. Time trials will be allocated on first come first served basis.

The fee for such a time-trial will be £8. Clubs will be invoiced for this amount after the event.

Time trials will be provided at the promoter's discretion and are subject to ability to process any requests and overall time constraints.

At this point we expect time trials on Saturday to be limited to filling any empty lanes after all withdrawals have been processed. We expect there to be greater capacity for time trials on Sunday.

Spectators

To meet safety requirements on the maximum number of people permitted in the pool hall this completion will run without spectators. This decision allows us to accommodate as many swimmers as possible.

We aim to provide live results on www.swimmeets.org.

Video

We are only permitted to provide streaming video if there are no objections to us doing so. Objections may be received at any time and may result in the streaming video being stopped at that time.

Video streaming is provided on best endeavours basis.

Should it be possible to provide streaming video details will be available on www.swimmeets.org.

Video will not be available after the event.

Entry to the building

Competitors will be admitted poolside approximately 15 minutes before warm-up starts.

Competitors will not be able to enter the building until around 12:20pm on Saturday and 8:50am on Sunday. Any competitor arriving before this time will need to be suitably attired to wait outside if necessary.
