If you would like to find out how you could help please speak to any of our volunteers or email volunteers@bbfsc.org.

Withdrawals

Withdrawals must be submitted 30 minutes before the start time of the session. All withdrawals must be submitted using the form available from the tech team.

No large bags poolside please

Please bring either £1 or a token for the lockers – this applies to both swimmers and spectators

Spectators

The entry will be £5 for per day. There will be no entry fee on 23rd June.

To meet safety requirements on the maximum number of people permitted in the pool hall spectators will initially be limited to one per swimmer. This decision has allowed us to accommodate as many swimmers as possible.

We aim to provide live results on www.swimmeets.org

Video

Video streaming is provided on best endeavours basis - subject to everyone giving their permission on the meet entry form.

Should it be possible to provide streaming video details will be available on:
<http://goo.gl/kVik7A>

Video will not be available after the event.

Please subscribe to our channel. If we get enough subscribers we can give the channel a friendly name !

Entry to the building

Competitors will be admitted poolside approximately 15 minutes before warm-up starts.

Competitors will not be able to enter the building until around 12:45 pm on Saturday and 8:45am on Sunday. Any competitor arriving before this time will need to be suitably attired to wait outside if necessary.

Who makes the Club Championships possible?

Officials

Officials help ensure a fair competition takes place for the benefit of all our swimmers. The club always needs more people to help as officials. Some people help at home meets, some also help at away meets their swimmer is going to. Officials get free entry to meets, often free food between sessions and something to do whilst their swimmer is busy.

If you'd like to find out more and/or shadow the time keepers or place judges, please let us know:
officials@bbfsc.org

Time keepers: Records your swimmer's times in case the electronic timing equipment fails. Time keepers also check the swimmers turn and finish correctly. Become a time keeper is an easy way to help the club this is also the first rung of the ladder in being able to support your swimmer at away meets too. You can become a time keeper by attending a short session that covers some of the rules of swimming and doing a short practical session.

Place judge: Records the order your swimmers finish in. There are no requirements to be a place judge at the club championships.

Inspectors of turns: Check the swimmers turn correctly.

Chief timekeeper: Helps the timekeepers and records the time of each heat's winner.

Stroke: Checks the swimmers follow the rules whilst swimming

Starter: Starts the race.

Referee: The person in overall charge. The referee will approve the results of all the races.

Tech team

The tech team cover a range of tasks including processing entries, setting up the pool before the meet, recording the results of all events, sending the results to Swim England and providing the announcer.

If you'd like to help tech team please let us know.

Team managers

The team manager looks after your swimmer whilst they are poolside. They will let your swimmer know where to go and make sure they don't miss their races.

Other volunteers

There is also an army of volunteers who help with marshalling, handling out medals, manning the door. If you'd like to help email: volunteer@bbfsc.org
