4.1 Entries shall be submitted via the online entry system on the competition web site.

Entries submitted online are not finally accepted until the club entry declaration sheet has been submitted to the competition web site.

4.2 All entries to this competition are deemed to be club entries, and are subject to the submission of the club entry declaration sheet, authorised by an appropriate officer of the club to confirm that:

1. Entries have been checked against ASA rankings and conform to the conditions of the competition.
2. The club accepts liability to pay the appropriate entry fee.

4.3 All entries must be submitted on or before 20:00 on 27th December 2018.

All club entry declaration sheets must be uploaded to the competition web site, using the "Submit Files" function by 20:00 on 30th December 2018.

If the entry declaration sheet is not submitted by that date, the club will be advised and warned by e-mail. A further 72 hours will be allowed to make the submission. Failure to make the submission by this final submission date will result in the club's complete entry being rejected.

- 4.4 Once all entries have been processed and decisions taken relating to acceptance (according to condition 4.7) each club will be notified of the entry fee payable. Fees must be paid within 7 days of this notification.
- 4.5 Late Entries may be accepted in exceptional circumstances at the sole discretion of the Swimming Secretary (or the appointed Entries Co-ordinator). Late entries will be considered for individual events only, providing
 - There is space available
 - The entry time must be equal to or faster than the **automatic** qualifying time for the event
 - A supplement of 100% of the normal entry fee, per event, is paid.
- 4.6 Entrants who are members of more than one club must declare at the time of entry, the club he/she represents.
- 4.7 For all individual events, the Association shall set automatic qualifying times and base level qualifying times (consideration times). Both short course and long course qualifying times shall be published. Swimmers must submit a time for each entry which has been achieved since 1st March 2018. Submitted times may be either short and/or long course and shall be the actual time recorded. All long course (50m) times will be automatically converted using the published ASA Equivalent Performance Tables for the purpose of accepting entries and seeding. All times must be eligible for inclusion in the rankings published by Swim England and set in competitions licenced at level 1, 2, 3 or 4. Entries may be amended up to the closing date. Subsequent improved times will not be accepted. First leg relay split times are NOT acceptable. Times set in Masters competitions and appearing only in Masters Rankings are not acceptable.
- 4.8 All submitted times will be checked against Swim England Rankings. Any time that cannot be validated against rankings will be rejected as an invalid entry.

A list of times that cannot be validated against Swim England Rankings will be published on 23rd December 2018. Entries may be amended up to the closing date. Subsequent improved times will not be accepted.

- 4.9 All swimmers who have achieved the automatic qualifying time shall be accepted for that event. If there is space available, swimmers who have not achieved the automatic qualifying time but have achieved the base time may be accepted. Those swimmers who are closest to the automatic time shall be accepted first. The number of additional swimmers that can be accepted will be determined on an event by event basis. The target number of swimmers for each event shall be published on the competition web site prior to the closing date for entries.
- 4.10 Notwithstanding condition 4.9, in the interest of safety and to ensure the smooth running of the competition the Association reserves the right to limit the number of entries to any event. If this becomes necessary, the Swimming Secretary (or appointed Entries Co-ordinator) will inform each swimmer whose entry has not been accepted. Entries will be rejected on the basis of submitted times, slowest swimmers rejected
- 4.11 Any swimmer submitting an ineligible entry will have the entry rejected and forfeit the entry fee. Any swimmer whose entry is not accepted as a result of limiting the number of entries will have their fee refunded.
- 4.12 For all Team events, club members who may be selected for a team but who are not participating in an individual event must be listed. The list must show the full name, sex, date of birth and ASA registration number. No swimmer may participate in a team Event unless their name is on a submitted list.
- 4.13 A Provisional Team Declaration Form declaring the names of swimmers expected to swim in each team shall be submitted electronically together with the entry declaration form (see 4.3 above). Failure to submit a declaration form on time will result in the team being withdrawn. On the day of competition, a corrected Declaration Form may be submitted prior to the start of warm-up for the session which includes the team event. If submitted changes to team declarations cannot be recorded in the Meet Management system prior to the start of the event, no swimmers' names shall appear on the scoreboard.
For each team entry, the submitted time shall be the sum of the individual times for the declared swimmers as recorded on ASA rankings. If a swimmer does not have a time recorded on rankings, an estimated time may be used.
- 4.14 The Management Committee may refuse an entry from a Club or a member of that Club, which, in their opinion, has not in the past fulfilled its obligations to the County Association, including all payment of fees relating to previous competitions.

- 4.15 By submitting an entry, entrants are accepting that entries will be processed using a computer system. Entrants may request that details are not displayed on the web site, but need to be aware that entry confirmation and results are not made available in any other form.
- 4.16 By submitting an entry, entrants are accepting that their photographs may be taken and used to promote the sport in the Region or County, and/or made available for download and/or purchase. All photography will conform to the "Swim England (ASA) Photography and Photographing Swimmers Policy". Individual parents of swimmers under 18 years of age on the day of competition have the right to withhold consent, by completing a form to be made available before the closing date of the competition.
- 4.17 Refund of fees. Once entries have been confirmed, entry fees will only be refunded if the swimmer is unable to swim on medical grounds. A request for refund of fees, together with supporting evidence from a qualified medical practitioner, must be uploaded to the competition website using the "Submit Files" function no later than 28 days after the last day of the competition.

5. CONFIRMATION OF ENTRY

- 5.1 All entries will be confirmed by e-mail and a list of accepted and rejected entries will be available via the competition web site at least 10 days before the first day of the Championships.

Competitors who fail to withdraw and do not present themselves at the start will incur a penalty of £10.
