Swim England South East – Swimming Championships 2019
Extracts from Competition Conditions

8. **MEET PROCEDURE**

8.1 There shall be separate events for males and females.

8.2 A withdrawal system will be in operation. Club representatives are expected to submit withdrawal forms for swimmers who are not intending to swim no later than 45 minutes before the advertised starting time of the first event in the session (or the start of warm-up, whichever is the later). Provision will be made for clubs with no representative present to submit notification of withdrawals via the competition web site. Informal notification of withdrawals by phone or e-mail will not be accepted. A fine of £10 will be levied in respect of each competitor who fails to withdraw and does not present themselves at the start of the event (except in the case of genuine illness or of a proven emergency).

8.3 Withdrawals are final. Any request to reinstate a swimmer who has been withdrawn will be considered to be a late entry and subject to the provisions of 6.5.

8.4 Revised team declaration sheets may be submitted no later than 45 minutes before the advertised starting time of the first event in the session (or the start of warm-up, whichever is the later). If it is not possible to update the Meet Management system with all changes to team declarations, names of swimmers in team events shall not be displayed on the scoreboard.

8.5 **Heats and Finals**

8.5.1 Events may be combined for the purpose of heats and heat declared winner events. Heats shall be held for all events.

8.5.2 If finals are arranged in a separate session, the promoter reserves the right to restructure the programme with finals integrated into the same session as the heats for the same events, if it is not possible to attract sufficient technical officials and/or non-technical volunteers to meet the minimum requirements required for licensed competitions.

8.5.3 In finals, the maximum number of places practicable shall be allocated. A maximum of four reserves shall be declared for each final.

8.5.4 The names of finalists and reserves shall be announced as soon as practicable after completion of the heats. Announced finalists and reserves not intending to swim shall withdraw by completing a withdrawal form.

8.5.5 Where finals are organised in the same session as heats:

- All withdrawals from finals must be submitted no later than 5 minutes after the announcement of finalists from the last session of heats.
- Swim-offs will not be held. In the event that there are equal times for the slowest place in the final, if sufficient swimmers with equal times do not choose to withdraw, neither (none) of the swimmers with equal times will be allocated a place in the final, that lane or lanes remaining empty. If there is a withdrawal or withdrawals from the final, both (all) of the swimmers with equal times will be allocated a place in the final.

8.5.6 Where finals are organised in separate session:

- All withdrawals from finals must be submitted no later than the start of warm-up for the finals session.
- Swim-offs will be held if there are two or more swimmers with equal times and positions for the last place in the final or for first reserve.

8.5.7 All finalists who have not withdrawn, including reserves, are expected to present themselves to the competitors' stewards for the finals.

8.5.8 A fine of £10 will be levied in respect of any competitor or team withdrawing from a final after the time allowed (except in the case of genuine illness or a proven emergency).

8.5.9 If a finalist withdraws within the time allowed, the final shall be reseeded. Where a reserve is brought in after this period, the reserve shall occupy the vacant lane and there shall be no changes made to the allocation of other lanes.

8.5.10 Heats shall be swum for all individual events of 50m, 100m and 200m. All events shall be seeded from slowest to fastest. In events where there are finals, the final three heats shall be cyclically seeded. All heats shall be spearheaded.

8.5.11 Individual events of 400m and over and all team events shall be decided on heat times and places (heat declared winner).

8.6 Time Trials will not be permitted during the Championships.

8.7 Competitors are responsible for presenting themselves to the clerks of the course in time for their race. There will be no call for missing competitors. If a swimmer does not present themself for a final, the highest ranked reserve who presents themself for the final shall swim in the vacant lane.

8.8 All penalties for failing to withdraw from an event in accordance with 8.2 and 8.5.8 are payable by the competitor's club.

9 ACCESS TO POOLSIDE

9.1 Access to poolside is restricted to swimmers competing in the session, coaches and team managers in possession of poolside passes, accredited officials and volunteers.

9.2 To manage space on poolside and to comply with conditions of hire of the pool used for the competition, swimmers are not allowed to carry a bag larger than a small draw string bag onto poolside. This rule will be strictly enforced.

10 AWARDS

10.1 The first, second and third placed swimmers or teams in each individual and team event shall be awarded medals.
