HEALTH AND SAFETY

1. The only people permitted on poolside other than swimmers and competition officials are those in possession of a Coaches or Poolside Helpers pass, which must be worn at all times.
2. Swimmers must make sure that their bags do not block the emergency exits or impede movement of others around poolside. At no time, may swimmers enter the spectator area unless fully dressed.

EMERGENCY EVACUATION PROCEDURES

In the event of an emergency, there will be an audible alarm message ordering an immediate evacuation of the building.

If you hear this message,

EXTRACTS FROM CONDITIONS

6. MEET PROCEDURE

- 6.1 A withdrawal system will be in operation. Club representatives are expected to submit withdrawal forms for swimmers who are not intending to swim, no later than 45 minutes before the advertised starting time of the first event in the session. Provision will be made for clubs with no representative present to submit notification of withdrawals via the competition web site. Informal notification by phone or e-mail will not be accepted. Competitors who fail to withdraw and do not present themselves at the start will incur a penalty of £10.
- 6.2 Withdrawals are final. Any request to reinstate a swimmer who has been withdrawn will be considered to be a late entry and subject to the provisions of 4.5 above.
- 6.3 Heats shall be swum for all events, and shall be seeded slowest to fastest, except that in events where there are finals, the final three heats shall be cyclically seeded. All heats shall be spearheaded.
- 6.4 Finals shall be swum for all 50m and 100m individual events in age groups 10/11, 12, 13, 14, 15, 16 and 17/over. All other events, including all team events, shall be decided on heat times and places (Heat Declared Winner).
- 6.5 In finals, the maximum number of places practicable shall be allocated. A maximum of 4 reserves shall be declared for each final. The names of finalists and reserves shall be announced as soon as practicable after completion of the heats. Announced finalists and reserves not intending to swim shall withdraw by completing a withdrawal form.
- 6.6 If an additional swimmer is allowed to swim in a final (e.g as a result of a successful protest or a foul by another swimmer) after finalists have been announced, and no other finalist withdraws, that final will be swum as two timed heats.
- 6.7 Where finals are arranged in the same session as the heats:
 1. All withdrawals from finals must be submitted no later than 5 minutes after the announcement of finalists from the last session of heats.
 2. Swim-offs will not be held. If there are equal times and places for a place in a final, if sufficient swimmers with equal times do not choose to withdraw, neither (none) of the swimmers with equal times will be allocated a place in the final, that lane or lanes remaining empty. If there is a withdrawal or withdrawals from the final, both (all) of the swimmers with equal times will be allocated a place in the final.
- 6.9 Lanes for finals shall be spearheaded based on times recorded in the heats.
- 6.10 All finalists who have not withdrawn, including reserves, are expected to present themselves to the Clerks of the Course for the final.
- 6.11 A fine of £10 may be levied in respect of any competitor or team withdrawing from a final after the time allowed (except in the case of injury, illness or proven emergency).
- 6.12 Where a reserve is brought in as a result of a withdrawal in accordance with 6.6 or 6.7 (above), the final shall be reseeded. Where a reserve is brought in after this period, the reserve shall occupy the vacant lane and there shall be no changes made to the allocation of other lanes.
- 6.13 A final may not start earlier than 15 minutes after all of the swimmers involved have completed their heat swim for that event.
- 6.14 Competitors are responsible for presenting themselves to the Clerks of the Course in time for their race. There will be no calls for competitors who fail to appear at the start of their race. If a swimmer does not present themselves for a final, the highest ranking reserve who presents for the final shall swim in the vacant lane.
- 6.15 Time Trials will not be permitted during the Championships.
- 6.16 All penalties for failing to withdraw from an event in accordance with the procedures above are payable by the competitor's club.

7. ACCESS TO POOLSIDE

- 7.1 Access to poolside is restricted to swimmers competing in the session, coaches and team managers in possession of poolside passes, accredited officials and volunteers.
- 7.2 To manage space on poolside, swimmers are not allowed to carry a bag larger than a small draw-string bag onto poolside. This rule will be strictly enforced.

8. AWARDS

8.1 Age Groups (10/11, 12, 13, 14, 15, 16, 17 & over age groups)

The first, second and third placed swimmers in each individual event will receive an award.

8.2 Team Events

Awards will be presented to all members of teams placed first, second and third in all team events.

9. DISPUTES/CHANGES TO CONDITIONS

- 9.1 Any dispute related to a matter not covered in these conditions shall initially be determined by the Promoter. Any individual who is not satisfied with such determination has the right to invoke ASA Judicial processes.
- 9.2 Whenever possible, a Jury of Appeal shall be appointed.
- 9.3 For sessions scheduled to be swum long course: If it is not possible to configure the pool for a long course competition, the competition shall be run as a short-course competition.
- 9.4 If the structure of the championships has to be changed for any reason, every effort will be made to take such a decision at least 5 days before the competition. Any change to the structure of the competition shall be published on the competition web site and communicated by e-mail to everyone who has submitted an entry.
- 9.5 Once the license has been granted for this competition, no changes to conditions are permitted without the explicit approval of the Swim England South East Licensing Panel.
